1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. ***Allowable Subject Matter***

2. Claims 1, 3, 4 and 6-9 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to base claim 1, the prior art of record neither anticipates nor renders obvious all the limitations of the claims including: making a spacing distance between said inner cells which are disposed farther away from said sinker zone larger than a spacing distance between said inner cells which are disposed closer to said sinker zone. Claims 3, 4 and 6-9 are dependent on claim 1 and thus these claims are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
